

Practice Activity #3 Observation Notes  
Dr. Anita Archer  
Structuring Active Participation – 2<sup>nd</sup> grade

As you watch the video, use this sheet to make notes on the essential features of effective instruction that have been discussed to this point in the presentation:

How is attention gained and maintained?	What models are provided?	What types of responses are taught?
Examples of feedback provided to students:	Key steps in teaching partner routines:	How is effort reinforced?
